COUNTY NEWS NOTES.

To insure insertion ALL corres-
pondence must be in this office by
Monday night of each week, and
that nearby on Monday morning.

Our correspondents are derelict in duty
and we want to say that henceforth they
will not receive papers except for the
week they have news letters. We are
dependent upon them for the news and
when they fail to send in their favors
they put us to great inconvenience.

SUNNY SIDE.

James Perkins, of Lacy creek,
spent Saturday night with Will
Alexander.

Moody Lacy, the deputy post-
master, came up this way Satur-
day evening.

Mrs. Jane Taulbee visited friends
and relatives at Campton from
Saturday until Monday.

Mrs. Polly Horton, of Campton,
who has been visiting friends and
relatives at Daysboro, returned
home Saturday.

J. W. Taulbee and daughter, of
Daysboro, attended Sunday school
and church at Hazel Green Sun-
day, and took dinner at this place.

Dr. Centers, of War creek,
Breathitt county, is visiting H. E.
Oney this week, and attended
church Sunday night at Hazel
Green.

This is examination week at the
academy, and oh, my! but we do
have to hustle. It being Christ-
mas time, it is hard to get our
minds on books.

The Rally crowd was certainly a
jolly crowd. Some one said that
when they heard them coming, that
they thought it was a gang of
wild geese going south, but the ex-
ercise was highly complimented
and enjoyed, and a success every
way, we think.

Ye scribe visited Misses Lula
and Maud Taulbee, of Daysboro
Saturday night, and while there,
we were invited out to Uncle
Oskar Fallen's to attend a candy
party given in honor of their niece,
Miss Monta Fallen, who has just
recovered from a severe spell of
fever. The candy was made and
prepared by our noble friends,
Miss Lillian Evans and Wm. Alex-
ander, and it is needless to say
that it was well done. We would
gladly give the names of all pres-
ent, but it would make our letter
too long. Monroe Wallen, of Jack-
son, highly entertained the crowd
with some fine music on the or-
gan. Now in behalf of all present
we extend thanks to Mr. and Mrs.
Fallen for the kind hospitality that
we received at their hands, and as-
sure them that all enjoyed the ex-
ercise in general, and only hope
that sometime in the near future
that we can return the compli-
ment in kind.

CONSOLATION CHAT.

E. F. Cecil and wife visited in
the Jambs Sunday.

Cal Cundiff and wife visited on
this creek one day last week.

Miss Bonnie Cecil and brother
Clay, visited on Lacy creek Sun-
day.

A. J. Blankenship went to Gill-
more creek one day last week on
business.

Isom Byrd, of the Calaboose
neighborhood, passed through here
Friday.

Xmas will soon be here and I
am afraid that Santa Claus will
forget ye scribe.

Ye scribe paid Hazel Green a
pleasant call Thursday for the first
time in several weeks.

Quite a crowd of Consolation
folks, contemplates going to Hazel
Green Academy to school this
winter.

We incidently learned that S.
M. Tyler will shortly move to
Hazel Green, in the property vac-
ated by Dr. Mason Kash.

John Bise says he is not going
to the Philippines until he learns
to shoot. Good idea, John, as the
old motto is, "Don't go about the
water until you learn to swim."

Dec. 18. EINNIM.

A big line of ladies' cloaks, jack-
ets and capes will be sold at net
cost at J. T. Day's Store.

Colored Pictures in Newspapers.

No newspaper in the country that
runs colored illustrations can ex-
cell The Saturday Blade or The
Chicago Ledger in this line of
printing. The Blade's colored
pictures are all original, and every
week it presents features unlike any
other weekly newspaper in the
country. The Blade's back page is
always mirth-provoking, and how
its editors and artists can think
out so many good things in the
humorous line is amazing. The
fun, too, is entirely unlike any
thing to be found in any other
paper.

Both papers are published by the
W. D. Boyce Co., Chicago, both for
2 or \$1 each.

I want your trade and will do
you right. H. F. PIERATT.

Beautiful Sea Shells free.

Since coming north I have re-
ceived many inquiries for sea shells
and now I will say, Yes, I can
send shells to any one who wants
them, for I have some beautiful
ones from the West Indies. I will
send a dozen different kinds of
shells, no two alike, to anyone who
send a stamp of postage, and will
also send a dozen or more brilliant
scarlet sea shells from the Bahama
Islands if you wish them. Anyone
is welcome to send for these pretty
things from the sea shore who
sends postage.

book ever gotten out. In addi-
tion to the vast amount of valuable in-
formation covered in its seventeen
chapters, there are sixteen beauti-
ful colored plates, showing, true

as true to nature as it is possible
to produce. Also, forty-two hand-
some engravings in half-tone and
sixty-one other helpful illustra-
tions of houses, nests, drinking ves-
sels, etc. The price is 50 cents, by

Atkinson Co., Philadelphia.

The next sessions of the Com-
mercial College of Kentucky Un-
iversity begin January 3 and 8,
1901. We advise you to begin at
one of the aforesaid dates if possi-
ble. Students can begin at any

tion for membership a few days
before you leave home, and a sec-
retary will meet you at the train
with it. On your arrival at Lex-
ington, Ky., please take 'bus for
the College and report to the office
of W. R. SMITH.

Johnny Bull had another sur-
prise on the 14th from South Af-
rica by a dispatch from Lord
Kitchener that the Boers had
given Gen. Clements a good licking,
capturing four companies, and
a number killed and wounded.
Among the killed were four officers,
Col. Legge, of the Twentieth Hus-
sars, and Capts. Macbean, Mur-
dock and Atkins. Still Roberts
says the African war is over.

Fine cigars and Duke's mixture
tobacco at J. T. DAY'S.

Rev. E. K. Pike will preach on
Lacy creek at Rose school house
on next Sunday morning. The
protracted meeting is still going
on at this place, and is meeting
with quite a success.

That Cough Hangs On

You have used all
sorts of cough reme-
dies but it does not
yield; it is too deep
seated. It may wear
itself out in time, but
it is more liable to
produce la grippe,
pneumonia or a seri-
ous throat affection.
You need something
that will give you
strength and build
up the body.

SCOTT'S EMULSION

will do this when everything
else fails. There is no doubt
about it. It nourishes,
strengthens, builds up and
makes the body strong and
healthy, not only to throw
off this hard cough, but to
fortify the system against
further attacks. If you are
run down or emaciated you
should certainly take this
nourishing food medicine.

See and feel, all druggists,
SCOTT & BOWNE, Chemists, New York.

Mrs. Lucinda Cecil, who was
reported ill in these columns last
week at her daughters at Sword
Creek, Va., died one day since, and
her remains were taken to Grassy
on Tuesday of this week for inter-
ment. Mrs. Cecil was about 73
of age, and was beloved by all
who knew her.

The residence of Jim Hanks, at
Campton, Ky., was destroyed by
fire on Monday night. Cause not
yet ascertained; the house was
insured. This is the second house
burned at Campton within six
weeks.

Henry Pieratt last week closed a
contract with J. H. Ferguson to
saw and dress 400,000 feet of
lumber on a tract recently pur-
chased by him near Hazel Green.

Ladies' dress goods are made a
specialty at J. T. Day's store.

Courtney Combs, of Campton,
passed through Hazel Green Tues-
day en route to Lee City, to make
some needed repairs on the Tor-
rent and Lee City telephone line.

Revs. Johns Adams and Barney
Blankenship will be a meeting
at Maytown, Thursday night, the
27th inst. All are invited to at-
tend.

A few of the young people of
Hazel Green, were entertained at
the home of Judge Wheeler on
Saturday night by his two charm-
ing daughters, Misses Nettie and
Anna.

Lilburn Graham and family will
leave the latter part of this week
for Hunt county, Texas. Mr. Gra-
ham contemplates locating there
permanently.

What has become of all of our
correspondents? We would feel
much benefited if they would come
in more regularly so as to give the
readers the news of the county.

School at the academy will be
dismissed Friday, till January 1st,
for the holidays. All the boarders
will most likely spend the time at
their homes.

ANNOUNCEMENTS.

For Representative—91st District.

MORRIS—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

CECIL—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to the action of the Democratic party.

How even the present Anglo-manic administration came to negotiate the Hay-Pauncefote convention is one of the marvels of the day. There are not ten senators who would vote for it, amended or unamended, if it were not for the desire to sustain the administration. If it has any redeeming qualities from an American point of view, no one has yet pointed them out.

THE ship subsidy steal has been much improved, according to Senator Hanna, in the past year. Yes, and one of the improvements consists of an amendment which will permit the American liner St. Louis, for instance, to draw freight subsidy on 11,690 tons of cargo on every voyage on which she carries 700 tons. This is cold fact. A few more such improvements will reach the limit.

THERE is a man in New Jersey who claims that he has been feeding hens on asbestos and that he has obtained a set of fireproof eggs in consequence. This may be true, but we'll wager that a few years hence the man who told it will be wishing for the asbestos for personal protection—and not getting it.

It is rather humiliating to learn from China that the plenipotentiaries will not make any claim for damages to missionary and native Christian property in Tientsin, for the reason that they consider that the missionaries and native Christians got more than square after the looting began.

We should like to know why the United States maintains an expensive ambassador like Mr. Choute. Certainly, this country can negotiate Hay-Pauncefote conventions surrendering everything without his aid. Why, he isn't able even to settle a little thing like the row between Ted Sloane and the Prince of Wales.

THE brewers have failed to get the recognition from the House that they believe they earned from the republicans in the last campaign and will now apply to the senate. They say, if it will cripple the government to reduce their tax further, let the tax be put back on bank checks.

OF course, no one would serious expect such a thing but all the same it is just possible that Lord Kitchener may overdo things so that Britain will lose all of South Africa. The Boer cause is no more desperate than was that of the United States more than a century ago before France intervened.

CHICAGO is now pluming itself on the alleged fact that it is morally purer than London. Possibly, although good judges say that the two cities are a tie—for the booby prize.

It seems that Governor Pingree violated the law in pardoning out his thieving generals and that they will be obliged to remain in jail, after all. This is better fortune than the country expected.

No, Anxious Reader, the high price corn consequent on the Chicago corner in that useful cereal did not last long enough to affect the price of whiskey.

LIEUT. GEN. MILES has prepared a bill for reorganizing the army, which provides for an officer with the rank of full general. Wonder whom he was thinking of for the place.

THE only trouble with that announced surrender in the Philippines is that experience has taught that a boloman is never so dangerous as after he has surrendered.

OOM PAUL sent a wreath to the tomb of William I. He said nothing about it, but it is understood that he would cheerfully incur the expense of another for the present Emperor.

THE country refuses to become interested in the electoral college. In fact the only way that institution can attract attention seems to be to become modern and organize a foot-ball team.

If France had put the money she raised to get a sword for Gen. Cronje into a good winter overcoat with a Napoleon cape, it is possible that he would have appreciated it more.

AFTER all, New York is a temperance town. The prohibition ticket received 640 votes there. No one dreamed that there would be so many.

OOM PAUL, it is said, "went quietly to church" last Sunday. How would the paragonist have him go? Shouting and dancing the can-can en route?

Why an annual surplus of \$80,000,000 will permit a tax reduction of only \$40,000,000 is one of those things that only a republican can understand.

It is a pity that Minister Conger does not specify the exact number of buckets of blood that are necessary to satisfy his thirst for gore.

JOHN W. YERKS, of Danville, Ky., has been appointed by President McKinley to the office of Commissioner of Internal Revenue.

MR. CHAMBERLAIN says that one of his critics is a cad. The critic will probably reply that Mr. Chamberlain is no gent.

OF course Bobs really meant to stay to see the finish but after a while he concluded that it was too far distant.

THE Queen didn't want a thing but money and she told her lords and gentlemen so in the briefest possible message.

CURIOUS, isn't it, how the credit of the Duke of Manchester has improved since he was over here before.

MR. LEASE has made no defense to Mrs. Lease's suit of divorce. No doubt he is hoping for the best.

BONI says that it was really his wife who was extravagant. Oh, come now, old man, don't do the baby act!

WELL, Adlai didn't even get a Senatorship. Mr. Towne is that much ahead.

DEAR BOBS, Remember me and be cautious. Yours, Dewey.

THE American hen is said to be laying for the egg trust.

A HAPPY DREAM.

BY SAM WILSON

We met, although it was by chance,
It seemed as if a spell,
A charming and resistless trance
That language ne'er can tell
The beauties of that wondrous power,
Still o'er my pathway gleam,
I've never had from that fond hour,
A sweeter, purer dream.

I knew not then thine own fair name;
We met as strangers do—
Or from what clime thy presence came
To gladden life anew.
I only knew a hallowed beam
Shone round thy angel face,
And O, it beautified my dream
With joy inspiring grace.

Could I but see the nearest link
On futurity's hidden chain;
My heart would on its lustre think
That we may meet again,
And I once more may feel the power
And see the purest beam
In glory shine as on that hour,
When first I dreamed my dream.

What Shall We Do?

Citizens of Hazel Green and vicinity, you certainly are aware that whiskey is being sold near our town and perhaps in town. There is a special act of the legislature prohibiting the sale of any liquor within a radius of three miles of Hazel Green. This law is trampled under foot by certain men almost every day. What has become of our Magistrate? Have they no power to put a stop to this diabolical traffic? "Government License" will not shield these men engaged in selling liquor, and the cry of "Government License" is a fake. Let us put the business down at once, if it costs the men engaged in it all they have. Let them suffer rather than the whole community. Whiskey is also brought into our town and distributed promiscuously, and you see the results of it frequently upon the streets. What shall we do? Put it down now. Serve notice now. It must be stopped! * * *

I want your notes and accounts paid by January 1, 1901, or —. H. F. PIERATT.

Do not fail to attend the entertainment at the Hazel Green academy tomorrow night (Friday), entitled "The Indian Huntresses." You will miss a great deal if you fail to be present. Let the chapel be crowded to its utmost capacity. The proceeds from admission are to be used to purchase another piano for the music classes. The classes have grown so large that they can not be fully accommodated on one piano and organ.

William H. Cord will preach the following sermons at West Liberty, beginning Saturday night the 22nd: Saturday night, "Conversion;" Sunday morning, "Regeneration;" Sunday afternoon, "Sanctification;" Sunday night, "The Holy Spirit;" Monday morning, "How is It With You?"

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

A Letter From Amsterdam, Mo.

While in the west, it being 15 months since I left my old Kentucky home, I will attempt to give to the readers of THE HERALD a short description of the country in which I have been, and the Kentuckians with whom I have met up with. I am very much pleased with this country, it being one among the best farming locations in the state of Missouri. I am located 62 miles due south of Kansas City, on the K. C. P. & G. railroad, in Bates county.

Among the Kentuckians in this country and neighborhood from Morgan and Wolfe counties, are William Kash and family, Dr. Mackey and family, Elbin Wilson and family, Capt. H. P. Nickell and family, Dr. S. B. Kash, Dr. J. A. Amix, James McGuire, W. H. Duke, also Dr. Mason Kash, of your town, is with us now. The above named are nicely located, and well satisfied.

I made a two month's visit to Kansas and Indian Territory, from which I have just returned; while in Kansas I met a great many I knew, consisting of the Oakley boys, Day boys, Enoch Caskey, Billie Oldfield, Rev. Mason Nickell and family, Rolan Nickell, Wash Ingram. In the Territory I met G. W. Goodpastor and family, Henry Livingston, Brock Crouch, Albert Denton, Henry Hurst and Fannie Dira nee Oakley.

I think often of my Kentucky friends, think I shall make them a visit in the sweet by and by; but have not the least idea of ever making it my future home.

I think the inducements for the young man or farmer, this day and time, lays west of the Mississippi river, especially if he has a small capital.

With regards to THE HERALD and its many readers. Respectfully,
C. B. A.

SUNNY SIDE.

James Perkins, of Lacy creek,
spent Saturday night with Will
Alexander.

Moody Lacy, the deputy post-
master, came up this way Satur-
day evening.

Mrs. Jane Taulbee visited friends
and relatives at Campton from
Saturday until Monday.

Mrs. Polly Horton, of Campton,
who has been visiting friends and
relatives at Daysboro, returned
home Saturday.

J. W. Taulbee and daughter, of
Daysboro, attended Sunday school
and church at Hazel Green Sun-
day, and took dinner at this place.

Dr. Centers, of War creek,
Breathitt county, is visiting H. E.
Oney this week, and attended
church Sunday night at Hazel
Green.

This is examination week at the
academy, and oh, my! but we do
have to hustle. It being Christ-
mas time, it is hard to get our
minds on books.

The Rally crowd was certainly a
jolly crowd. Some one said that
when they heard them coming, that
they thought it was a gang of
wild geese going south, but the ex-
ercise was highly complimented
and enjoyed, and a success every
way, we think.

Ye scribe visited Misses Lula
and Maud Taulbee, of Daysboro
Saturday night, and while there,
we were invited out to Uncle
Oskar Fallen's to attend a candy
party given in honor of their niece,
Miss Monta Fallen, who has just
recovered from a severe spell of
fever. The candy was made and
prepared by our noble friends,
Miss Lillian Evans and Wm. Alex-
ander, and it is needless to say
that it was well done. We would
gladly give the names of all pres-
ent, but it would make our letter
too long. Monroe Wallen, of Jack-
son, highly entertained the crowd
with some fine music on the or-
gan. Now in behalf of all present
we extend thanks to Mr. and Mrs.
Fallen for the kind hospitality that
we received at their hands, and as-
sure them that all enjoyed the ex-
ercise in general, and only hope
that sometime in the near future
that we can return the compli-
ment in kind.

am afraid that Santa Claus will
forget ye scribe.

Ye scribe paid Hazel Green a
pleasant call Thursday for the first
time in several weeks.

Quite a crowd of Consolation
folks, contemplates going to Hazel
Green Academy to school this
winter.

We incidently learned that S.
M. Tyler will shortly move to
Hazel Green, in the property vac-
ated by Dr. Mason Kash.

John Bise says he is not going
to the Philippines until he learns
to shoot. Good idea, John, as the
old motto is, "Don't go about the
water until you learn to swim."

ets and capes will be sold at net

Colored Pictures in Newspapers.

No newspaper in the country that
runs colored illustrations can ex-
cell The Saturday Blade or The
Chicago Ledger in this line of
printing. The Blade's colored
pictures are all original, and every
week it presents features unlike any
other weekly newspaper in the
country. The Blade's back page is
always mirth-provoking, and how
its editors and artists can think
out so many good things in the
humorous line is amazing. The
fun, too, is entirely unlike any
thing to be found in any other
paper.

Both papers are published by the
W. D. Boyce Co., Chicago, both for
2 or \$1 each.

I want your trade and will do
you right. H. F. PIERATT.

Beautiful Sea Shells free.

Since coming north I have re-
ceived many inquiries for sea shells
and now I will say, Yes, I can
send shells to any one who wants
them, for I have some beautiful
ones from the West Indies. I will
send a dozen different kinds of
shells, no two alike, to anyone who
send a stamp of postage, and will
also send a dozen or more brilliant
scarlet sea shells from the Bahama
Islands if you wish them. Anyone
is welcome to send for these pretty
things from the sea shore who
sends postage.

Johnny Bull had another sur-
prise on the 14th from South Af-

Kitchener that the Boers had
given Gen. Clements a good licking,
capturing four companies, and
a number killed and wounded.
Among the killed were four officers,
Col. Legge, of the Twentieth Hus-
sars, and Capts. Macbean, Mur-

That Cough Hangs On

You have used all
sorts of cough reme-
dies but it does not
yield; it is too deep
seated. It may wear
itself out in time, but
it is more liable to
produce la grippe,
pneumonia or a seri-
ous throat affection.
You need something
that will give you
strength and build
up the body.

SCOTT'S EMULSION

will do this when everything
else fails. There is no doubt
about it. It nourishes,
strengthens, builds up and
makes the body strong and
healthy, not only to throw
off this hard cough, but to
fortify the system against
further attacks. If you are
run down or emaciated you
should certainly take this
nourishing food medicine.

her remains were taken to Grassy

of age, and was beloved by all
who knew her.

for Hunt county, Texas. Mr. Gra-
ham contemplates locating there
permanently.

What has become of all of our
correspondents? We would feel
much benefited if they would come
in more regularly so as to give the
readers the news of the county.

School at the academy will be
dismissed Friday, till January 1st,
for the holidays. All the boarders
will most likely spend the time at
their homes.

HAZEL GREEN, KY.

THURSDAY, December 20, 1900

ANNOUNCEMENTS.

For Representative—91st District.

MORRIS—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

CECIL—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to the action of the Democratic party.

How even the present Anglo-manic administration came to negotiate the Hay-Pauncefote convention is one of the marvels of the day. There are not ten senators who would vote for it, amended or unamended, if it were not for the desire to sustain the administration. If it has any redeeming qualities from an American point of view, no one has yet pointed them out.

The ship subsidy steal has been much improved, according to Senator Hanna, in the past year. Yes, and one of the improvements consists of an amendment which will permit the American liner St. Louis, for instance, to draw freight subsidy on 11,690 tons of cargo on every voyage on which she carries 700 tons. This is cold fact. A few more such improvements will reach the limit.

There is a man in New Jersey who claims that he has been feeding hens on asbestos and that he has obtained a set of fireproof eggs in consequence. This may be true, but we'll wager that a few years hence the man who told it will be wishing for the asbestos for personal protection—and not getting it.

It is rather humiliating to learn from China that the plenipotentiaries will not make any claim for damages to missionary and native Christian property in Tientsin, for the reason that they consider that the missionaries and native Christians got more than square after the looting began.

We should like to know why the United States maintains an expensive ambassador like Mr. Choute. Certainly, this country can negotiate Hay-Pauncefote conventions surrendering everything without his aid. Why, he isn't able even to settle a little thing like the row between Ted Sloane and the Prince of Wales.

The brewers have failed to get the recognition from the House that they believe they earned from the republicans in the last campaign and will now apply to the senate. They say, if it will cripple the government to reduce their tax further, let the tax be put back on bank checks.

Of course, no one would serious expect such a thing but all the same it is just possible that Lord Kitchener may overdo things so that Britain will lose all of South Africa. The Boer cause is no more desperate than was that of the United States more than a century ago before France intervened.

CHICAGO is now pluming itself on the alleged fact that it is morally purer than London. Possibly, although good judges say that the two cities are a tie—for the booby prize.

It seems that Governor Pingree violated the law in pardoning out his thieving generals and that they will be obliged to remain in jail, after all. This is better fortune than the country expected.

No, Anxious Reader, the high price corn consequent on the Chicago corner in that useful cereal did not last long enough to affect the price of whiskey.

LIEUT. GEN. MILES has prepared a bill for reorganizing the army, which provides for an officer with the rank of full general. Wonder whom he was thinking of for the place.

THE only trouble with that announced surrender in the Philippines is that experience has taught that a boloman is never so dangerous as after he has surrendered.

OOM PAUL sent a wreath to the tomb of William I. He said nothing about it, but it is understood that he would cheerfully incur the expense of another for the present Emperor.

THE country refuses to become interested in the electoral college. In fact the only way that institution can attract attention seems to be to become modern and organize a foot-ball team.

If France had put the money she raised to get a sword for Gen. Cronje into a good winter overcoat with a Napoleon cape, it is possible that he would have appreciated it more.

AFTER all, New York is a temperance town. The prohibition ticket received 640 votes there. No one dreamed that there would be so many.

OOM PAUL, it is said, "went quietly to church" last Sunday. How would the paragonist have him go? Shouting and dancing the can-can en route?

Why an annual surplus of \$80,000,000 will permit a tax reduction of only \$40,000,000 is one of those things that only a republican can understand.

It is a pity that Minister Conger does not specify the exact number of buckets of blood that are necessary to satisfy his thirst for gore.

JOHN W. YERKS, of Danville, Ky., has been appointed by President McKinley to the office of Commissioner of Internal Revenue.

MR. CHAMBERLAIN says that one of his critics is a cad. The critic will probably reply that Mr. Chamberlain is no gent.

OF course Bobs really meant to stay to see the finish but after a while he concluded that it was too far distant.

THE Queen didn't want a thing but money and she told her lords and gentlemen so in the briefest possible message.

CURIOUS, isn't it, how the credit of the Duke of Manchester has improved since he was over here before.

MR. LEASE has made no defense to Mrs. Lease's suit of divorce. No doubt he is hoping for the best.

BONI says that it was really his wife who was extravagant. Oh, come now, old man, don't do the baby act!

WELL, Adlai didn't even get a Senatorship. Mr. Towne is that much ahead.

DEAR BOBS, Remember me and be cautious. Yours, Dewey.

THE American hen is said to be laying for the egg trust.

A HAPPY DREAM.

BY SAM WILSON

We met, although it was by chance,
It seemed as if a spell,
A charming and resistless trance
That language ne'er can tell
The beauties of that wondrous power,
Still o'er my pathway gleam,
I've never had from that fond hour,
A sweeter, purer dream.

I knew not then thine own fair name;
We met as strangers do—
Or from what clime thy presence came
To gladden life anew.
I only knew a hallowed beam
Shone round thy angel face,
And O, it beautified my dream
With joy inspiring grace.

Could I but see the nearest link
On futurity's hidden chain;
My heart would on its lustre think
That we may meet again,
And I once more may feel the power
And see the purest beam
In glory shine as on that hour,
When first I dreamed my dream.

What Shall We Do?

Citizens of Hazel Green and vicinity, you certainly are aware that whiskey is being sold near our town and perhaps in town. There is a special act of the legislature prohibiting the sale of any liquor within a radius of three miles of Hazel Green. This law is trampled under foot by certain men almost every day. What has become of our Magistrate? Have they no power to put a stop to this diabolical traffic? "Government License" will not shield these men engaged in selling liquor, and the cry of "Government License" is a fake. Let us put the business down at once, if it costs the men engaged in it all they have. Let them suffer rather than the whole community. Whiskey is also brought into our town and distributed promiscuously, and you see the results of it frequently upon the streets. What shall we do? Put it down now. Serve notice now. It must be stopped! * * *

I want your notes and accounts paid by January 1, 1901, or —. H. F. PIERATT.

Do not fail to attend the entertainment at the Hazel Green academy tomorrow night (Friday), entitled "The Indian Huntresses." You will miss a great deal if you fail to be present. The classes have grown so large that they can not be fully accommodated on one piano and organ.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

A Letter From Amsterdam, Mo.

While in the west, it being 15 months since I left my old Kentucky home, I will attempt to give to the readers of THE HERALD a short description of the country in which I have been, and the Kentuckians with whom I have met up with. I am very much pleased with this country, it being one among the best farming locations in the state of Missouri. I am located 62 miles due south of Kansas City, on the K. C. P. & G. railroad, in Bates county.

Among the Kentuckians in this country and neighborhood from Morgan and Wolfe counties, are William Kash and family, Dr. Mackey and family, Elbin Wilson and family, Capt. H. P. Nickell and family, Dr. S. B. Kash, Dr. J. A. Amix, James McGuire, W. H. Duke, also Dr. Mason Kash, of your town, is with us now. The above named are nicely located, and well satisfied.

I made a two month's visit to Kansas and Indian Territory, from which I have just returned; while in Kansas I met a great many I knew, consisting of the Oakley boys, Day boys, Enoch Caskey, Billie Oldfield, Rev. Mason Nickell and family, Rolan Nickell, Wash Ingram. In the Territory I met G. W. Goodpastor and family, Henry Livingston, Brock Crouch, Albert Denton, Henry Hurst and Fannie Dira nee Oakley.

I think often of my Kentucky friends, think I shall make them a visit in the sweet by and by; but have not the least idea of ever making it my future home.

I think the inducements for the young man or farmer, this day and time, lays west of the Mississippi river, especially if he has a small capital.

With regards to THE HERALD and its many readers. Respectfully,
C. B. A.
